8.00pm onwards.**

A year ago on 26th February 2001, Mary Eales was killed on her motorcycle by a drunk driver whilst travelling home from work.

This evening is being run in her memory at the Popes Grotto P.H. (where West London MAG meet), and you are invited to attend.

This evening will also be a fundraiser for her fund. There will be a raffle on the night, and any money donations would be gratefully accepted as well. (Send to address below if you are unable to attend – cheques payable to 'Mary Eales Fund').

The money will be donated to an animal charity later in the year. There will also be some 'nibbles' organised on the night.

Hope you can attend on the evening.
